### Senior Patrol Leader Update from Rob Vance

Hello Everyone. This is Rob with another SPL update. **This Monday's meeting is a fun meeting with an outdoor orienteering activity.** We will be going outside so be prepared with warm clothes and shoes. Bring a flashlight because it will be dark out. Keep working on your merit badges. **See you all on Monday.**

### Scoutmaster Message from Mr. Ostroot

A big thank you goes out to the boys and parents who helped out with the Lions Food Drive and then the Haunted Forest this past Saturday! We also want to say a special thank you to the Kjomes for buying pizza for dinner. Please remember we have PLC next Monday, Parents night out this Friday, and University of Scouting this Saturday. I urge all adults who want to gain additional skills in Scouting to attend University of Scouting. **Keep working on your Wreath and Popcorn sales.** Our thoughts and prayers continue to be with our friend Mr. Bakken for his prompt recovery. We love you Mr. B. Yours in Scouting, Mr. Ostroot
