### Senior Patrol Leader Update from Rob Vance

Hello Everyone. This is Rob with another SPL update. At tonight's meeting we will do the meal plans for this weekend's campout. You can still sign up at tonight's meeting. We need YOU at every campout. Keep working on your merit badges. **If you want to make sure you earn a Merit Badge at the next Court of Honor come to the campout and earn Orienteering!**

### Scoutmaster Message from Mr. Ostroot

You can still sign up for this weekend's Stearns campout tonight! We are going to run Orienteering Merit Badge this weekend with the intent of having all the boys who work at it earn it for the next Court of Honor. Please get signed up. We are going to have a great time.

The service project this past weekend was great. It reminded us of the importance of helping and serving others. Thank you to Alex Sazenski and Noah Duncan and the adults for attending.

Our thoughts and prayers continue to be with our friend Mr. Bakken for his prompt recovery. We love you Mr. B. Yours in Scouting, Mr. Ostroot
