Senior Patrol Leader Update from Rob Vance

Hello Everyone. This is Rob with another SPL update. **This Monday's meeting is the Open House.** This is a very important meeting to help keep our troop growing and strong. Please **Be Prepared** for your skill sessions you are presenting and with the snacks you are assigned to bring. Bring yourselves and a friend to the meeting. Remember to bring the Merit Badge requirement sheets from the internet to discuss with Mrs. Keil. **See you all on Monday.**

Scoutmaster Message from Mr. Ostroot

The Open House is this Monday. This is an important meeting for all Scouts to make sure they attend. **Be Prepared** for your skill activities and remember the treats you were assigned to bring. **It is important that each of us creates a welcoming and positive atmosphere because we only have one opportunity to make a good first impression** on the visiting Webelos, new boys, and their families. Remember that there are special awards if you bring your friends and Merit Badge requirement sheets. Attendance is very important at this meeting. Please come early to help set up on time. I am looking forward to seeing each of you at Monday's meeting.

Our thoughts and prayers continue to be with our friend Mr. Bakken for his prompt recovery. We love you Mr. B. Yours in Scouting, Mr. Ostroot
