

Troop 261's September 16 - 23, 2007 E-Update

Senior Patrol Leader Update from Rob Vance

It was good to see everyone at Monday's meeting. We are really excited about this new Scouting year that will be a lot of fun. Next meeting we will work on Personal Fitness or Cycling Merit Badge with Mr. Stoecklein. After that we will work on the High Adventure bins. Our next camp out will take place October 5th through the 7th. It will be a canoeing campout at St. Croix State Park. It should be a fun Campout. I look forward to seeing you all at the next Scout meeting on Monday the 17th. **Please ask your parents to come to this Monday's meeting as we review the Troop Calendar and other important information for the year.**

Scoutmaster Welcome from Mr. Ostroot

Welcome back everyone. I trust you all had a great summer. It is going to be a great year. Our SPL Rob is going to do a wonderful job with the leadership. Those in the Order of the Arrow, there is the Fall Conclave September 21 - 22. It is very important that you go and support those just nominated and to work towards Brotherhood. I will be there with a lot of others. Let's make a good showing. Mr. Bakken is my favorite. He needs to get well and needs our help. Our prayers, a simple card, phone call, or smile I am sure will brighten his day. We love you Mr. B. We are at our best when we serve others. Yours in Scouting, Mr. Ostroot
